ArtAlive! **street art - artists painting and showing their work**

Saturday 6th April 2013

Thirroul Seaside and Arts Festival offers a great opportunity to bring your art to the public's notice. As you know there is the major Art Prize Exhibition and the Art in the Shops window displays, but *ArtAlive!* is the activity where the visiting public really enjoy taking an interest in how artists actually create their work and like to purchase moderately-priced items like small paintings, prints and greeting cards.

Artists will be working creatively throughout the eastern side of town – in the WF Jackson Park by the railway bridge, or on the footpath beside the beaches Hotel.

- Participating artists will have exposure to the general public and opportunity to sell their work
- Artists should bring all their own equipment for the day
- It is planned that artists be at the event from 10.30 am – 3.30 pm.
- Artists are asked to work from a location. Let us know if you have a preference - park or street.
- If it rains on Saturday 6th, it is up to artists to decide whether or not to come.
- **Please complete the attached form and return it *very soon.***

If you'd like to involved in *ArtAlive!* please fill in and return the attached form to Carol Roderick, 24 George Street, Thirroul, 2515.

We will keep you informed about final arrangements for the day, but if you were part of ArtAlive! last year, it will be much as you remember, with some changes in the Park allowing artists to be positioned alongside the footpath.

Yours sincerely, ***ArtAlive!*** Co-ordinators
