The 2019 Minis art exhibition includes the old favourite 10x10x10, and a new category, 9 by 5.

9 by 5 Impressions (1889)

The 9 x 5 exhibition draws inspiration from the 9 by 5 Impression Exhibition held in Melbourne in 1889 which featured works by, among others, Arthur Streeton, Charles Condor and Tom Roberts. 9 x 5 (inches) is a reference to the size of the standard cigar box lid on which many of the works were painted. Works in the 1889 exhibition were mainly landscapes but also included portraits and still life.
